CALERIN GROUP

Director Business Development

September 2013 - October 2016 (3 years 2 months)

Sofia

I am a former diplomat, who has held leading positions during his assignments in Austria, Croatia, Italy, Montenegro and Albania. I was Economy Advisor and Chief of Bulgarian Trade and Commercial Offices of the Bulgarian Ministry of Economy abroad. I have extensive experience in EU matters, management of EU funds and in facilitation of other international financial donors. I have recognized results in promoting not only Bulgarian businesses, but also international companies, for which I was awarded with highest state honors by the relevant authorities.

At the Bulgarian Ministry of Economy, at the State Agency for IT & Communications I managed international projects involving a number of countries in the fields of IT, Business Development and Education.

My successful track record includes in-depth knowledge of the Balkan countries markets, the investment process and phases of development, law frame, administrative procedure and business mentality, dealing with high ranked state administrators, public figures and international organizations. I have facilitated numerous American, Austrian, German and Bulgarian companies in their entrance onto new markets, such as Blackstone Inc., Arcora, Silverstone Energy, Finance Engineering Ltd., Tokuda Hospitals and others.
